AUGUST 2020

Spring Officials Receive Registration Fee Credit

Due to NFHS not printing rule and casebooks for the 2021 spring sport season, baseball, softball, boys and girls lacrosse, and track and field officials will be receiving a \$20 credit when registration fee invoices are sent out in October of this year for the 2021-22 spring sport season. The PIAA Board of Directors approved this action at their May 20, 2020 meeting.

FBI 114 Background Clearance Extension

On May 8, 2020, Governor Wolf signed legislation extending the expiration date for FBI clearances only until December 31, 2020. What that means for registered PIAA officials is anyone who had a valid FBI clearance during the 2019-20 school year which was set to expire during the 2020 calendar year will have that expiration date changed to December 31, 2020. You will see this change in your profile on the PIAA website. You do not need to take any further action in this regard. *However, the legislation did not include the State Police or Department of Human Services clearances which must still be updated prior to their expiration in order for an official to work contests involving member schools. Officials needing information regarding clearances can [click here](#) for more information.*

Online/Virtual Rules and Chapter Meetings

In an effort to comply with Governor Wolf's directives, PIAA has now granted permission to all chapters to hold online/virtual chapter and rules meetings for those able to conduct meetings in that manner. Chapters unable to hold virtual meetings must still hold in person meetings but those must be held in compliance with the Governor's directives. Attendance is still mandatory at rules meetings but chapter meeting attendance requirements have been waived for fall sport officials. PIAA still wants chapters to schedule in-person or online/virtual meetings and officials are encouraged to attend.

Mandatory Rules Meetings: This is available at no charge August 1-28th. After that, \$50 fee applies. There will be three ways officials can get credit for attending the mandatory rules meeting and get credit for attending:

1. Attend the in-person rules meeting being held by your local chapter, or
2. Attend the online/virtual rules meeting being held by your local chapter, or
3. Log into your official's profile and view the recording of the mandatory rules meeting. It can be found by clicking the link "Make up Mandatory Rules meeting."

Chapter Meetings: PIAA registered fall sport officials have been given a waiver regarding their attendance at chapter meetings this fall. While chapters are encouraged to schedule chapter meetings in person or in the online/virtual format and officials are strongly encouraged to attend chapter meetings this fall, there will be no suspensions at season end for failure to attend the minimum number of chapter meetings.

Officials' Fees

The PIAA Board of Directors decided to forgo the scheduled five year registration fee increase of \$5 for every official during the next invoice period. The registration fee notices will remain the same for the 2021-22 school year, with the exception of the \$20 credit for spring sports officials.

Invoices will be sent to the email address PIAA has on file in late October/early November of the prior school year you are paying for. Please make sure your email address is updated on the PIAA website. Fees should be paid online. To pay online, go to www.piaa.org and sign in with your access code. In the Account Center, click on View or Pay Officials Registration Fees.

Yearly PIAA registration fees:

- Up to January 15 - reduced fee of \$5 per sport (\$45 per sport)
- January 16 through March 2 - base fee of \$50 per sport
- March 3 through March 31 - add \$25 late fee
- After March 31 - add \$75 reinstatement fee

Officials' Insurance

Last school year many chapters inquired regarding insurance for their members. Arbiter Sports has reached out to PIAA with some preliminary information regarding insurance for chapters. Please email Cory Eldredge at Arbiter if your chapter is interested. He can be reached at cory.eldredge@arbitersports.com or call him at 801-440-4652. The National Federation of State High School Associations (NFHS) also may be able to assist officials who want insurance coverage. Please use this link if you are interested: [NFHS Officials Information](#).

Chapter Meeting Insurance

Most meeting venues require a Certificate of Insurance. PIAA provides this coverage for chapter meetings. The request form can be found here: <http://www.piaa.org/assets/web/documents/Certificate%20of%20Insurance%20Request.pdf>.

For more information, contact Laura Lex at llex@piaa.org.

ID CARDS

ID Cards are available online. Officials can log in to their account on the PIAA website to obtain their ID Card for the 2020-21 school year. ID Cards are no longer sent via US Mail. You will need to print a copy of your ID Card to have with you while officiating contests. You also have the option to show your ID Card to schools right from your mobile device. The new, online version of the ID Card will still list the dates your clearances expire. As you update your clearances, a new ID Card can be obtained by logging in to your account on the PIAA website and following the same steps as above.

PIAA Sportsmanship Message

This message shall be read to the head coach and captains prior to each contest officiated by a registered PIAA official. This message shall be enforced by contest officials and its enforcement shall include a strict and swift enforcement when unsportsmanlike actions involve demeaning remarks or actions that may be related to the racial or ethnic background of any party.

PIAA requires all registered sports' officials to enforce the sportsmanship rules for coaches and contestants. Actions meant to demean opposing contestants, teams, spectators, and officials are not in the highest ideals of interscholastic education and will not be tolerated. Let today's contest reflect mutual respect. Coaches please certify to the contest official(s) that your contestants are legally equipped and uniformed according to NFHS rules and PIAA adoptions. Good luck in today's contest.

The proper procedure is head coaches and captains MUST attend the pre-game reading of the sportsmanship message. Coaches must certify to the contest officials their team is legally equipped and in compliance with NFHS Football Rules. The reading of this message will have the coaches verbally confirm aloud their teams' adherence to compliance with equipment and safety rules. This confirmation is not only the adherence to contest rules, but also assists in alleviating the legal liability concerns for the officials if the teams subsequently violate the proper equipment provisions of the contest rules.

PIAA BY-LAWS—DISQUALIFICATIONS: ARTICLE XIII, SECTION 8

Section 8. Disqualification From Next Contest(s).

A. General Rule. Preamble

Sportsmanship is a core principle in interscholastic athletics. Actions which are unethical and/or intended to demean, embarrass, intimidate or injure opposing contestants, Teams, spectators and/or officials are considered unsportsmanlike and will not be tolerated since they are contrary to the purposes of PIAA and convey lessons incompatible with the reason why high school sports exist.

PIAA BY-LAWS—DISQUALIFICATIONS: ARTICLE XIII, SECTION 8 CONT.

1. Mandatory Disqualification. One Game Suspension Any Coach and/or contestant who, while Coaching or competing for a PIAA member school, is ejected from a Contest by a state high school association recognized and/or registered official in that sport for unsportsmanlike conduct or flagrant misconduct is disqualified from Coaching and/or participating for the remainder of the day and in all Contests on the next Contest day of the same level (varsity, junior varsity, or otherwise) of competition from which the Coach and/or contestant was previously disqualified. For a Coach, participation in the next Contest includes any contact by the Coach with members of the Team, including other Coaches, between the time that the Team arrives at the Contest site and the conclusion of the last Contest of the day. The Principal must direct the Coach not to attend all of the Contest(s).

2. Supplemental Disqualification. Two Game Suspension Any Coach and/or contestant who, is ejected from a Contest by a state high school association recognized and/or registered official and a component of the ejection is **confronting, contacting or addressing a Coach, contestant or official using foul or vulgar language, ethnic or racially insensitive comments or physical contact** will be disqualified from competition for the remainder of the day and for the next two (2) Contests including all Contests on the next two (2) Contest days of the same level (varsity, junior varsity, or otherwise) of competition from which the Coach and/or contestant was previously disqualified. For the purposes of this provision, **the jurisdiction of the official(s) to apply and enforce this rule begins upon the official's arrival at the Contest site and ends when the official (or the last of the team of officials) leaves the Contest site. The Contest site is defined as premises on which the competition surface is located and includes the entirety of the premises and parking areas.**

When the Supplemental Disqualification implicates a contestant, and in addition to the two (2) Contests disqualification, the contestant may not return to competition representing the contestant's school until the contestant completes the NFHS Sportsmanship program at NFHSLearn (online) and provides a certification of completion of this program to the student's Principal and the Principal submits the certification to the PIAA District Sport Chairman. A Coach disqualified under this provision may not return to competition representing the Coach's school until the Coach completes the NFHS Sportsmanship program and Teaching and Modeling Behavior program at NFHSLearn (online) and provides a certification of completion of these two programs to the Coach's Principal and the Principal submits the certification to the PIAA District Sport Chairman.

A disqualification under B. above supersedes a disqualification under A. above. A PIAA District Committee may, at its discretion, convene a hearing to address any and all disqualifications and may provide additional penalties as warranted by the circumstances. ****Examples of supplemental disqualifications may be found on page 6 of this bulletin.****

The PIAA office staff have been busy assisting the Governor's Office, Department of Health, and Department of Education in getting fall sports started. Much of the pre-season preparation has to do with how COVID-19 will impact fall sports.

PIAA requests that all fall sports officials review the Return to Competition: Individual Sport Considerations prior to officiating this fall. One of the most important considerations listed is the pre-contest communication with the host school. This is critical to officiating a contest.

Officials, please click this link to review the Return to Competition: Individual Sport Considerations: http://www.piaa.org/assets/web/documents/Return_to_Competition.pdf

EXAMPLES OF DISQUALIFICATION PROVISION OF ARTICLE XIII, SECTION 8

The Supplemental Ejection is not designed for violations of "Rules of the Game" The one game sit out penalty still remains for those actions that do not fit the Supplemental Ejection policy. PIAA Board of Directors has given officials an additional tool to use, if warranted, to curb bad behavior. This could aid in the recruitment and retention of officials. Officials should not concern themselves with the penalty. School administration will handle that.

A few examples:

- **Situation:** After the basketball game has concluded and the officials are in the locker room, varsity head coach Jones begins to bang on the door and use profanity toward the officials.
 - **Ruling:** The coach's actions would merit a Supplemental Disqualification. The crew chief must file the Supplemental Disqualification report within 24 hours on Coach Jones who must sit out the next two varsity contests. The crew chief must also make contact with Coach Jones' athletic director immediately or immediately after leaving the contest site to inform them that the Supplemental Disqualification was issued on Coach Jones.
- **Situation:** During a junior varsity soccer game a player from team ABC commits a handball violation in the box.
 - **Ruling:** The referee properly issues a red card and escorts the player to the sideline. The referee also informs the coach of the reason for ejection. The referee must file the Disqualification Report within 24 hours and the player must sit out the next junior varsity contest.. This is a standard one game sit out disqualification penalty.
- **Situation:** In the third inning of a baseball game the head coach disagrees with a safe/out call and charges onto the field while yelling profanities at the umpire.
 - **Ruling:** The umpire must eject the head coach and inform them that they are being assessed a Supplemental Disqualification. The crew chief must file the Supplemental Disqualification report within 24 hours on Coach Smith who must sit out the next two junior varsity contests.
- **Situation:** During the boys varsity soccer match, Player A1 is taken down with a legal tackle by Player B1. Player A1 feels that a foul should have been called and jumps from the ground and yells at the nearest official saying, "Hey Ref, you suck."
 - **Ruling:** The official must immediately be issued a red card and eject Player A1. The official must then inform Player A1's head coach of the ejection and the fact that it is a Supplemental Disqualification due to the foul language directed at the official. The ejecting official must file the Supplemental Disqualification report within 24 hours on the player who must sit out the next two varsity contests.
- **Situation:** After the volleyball match has concluded and the officials are walking through the school lobby to get to their cars a parent confronts the officials and uses profanity toward them.
 - **Ruling:** The officials must not engage the parent in discussion and should continue to their vehicle, if possible. Upon reaching their vehicles the crew chief must immediately contact the host school's athletic director and inform them of what occurred. The officials do not retain jurisdiction under the Supplemental Disqualification in this instance. It does not apply to fans, only coaches and contestants. School athletic administrators must take action to prevent this type of occurrence in the future.
- **Situation:** After the varsity football game has ended and the officials are gathering at the 40 yard line to proceed to the locker room, the head coach rushes on to the field and confronts the crew about calls made that evening. The coach while using foul and abusive language contacts one of the officials.
 - **Ruling:** The crew chief must inform the head coach that he is being assessed a Supplemental Disqualification for his actions. The crew chief must file the Supplemental Disqualification report within 24 hours on the head coach who must sit out the next two varsity contests.

Final Point:

- **Question:** On the new 2 game DQ is it going to be the officials' decision if it's a 2 game DQ or the PIAA's after reviewing the report?
 - **Answer:** As with the previous 1 game DQ, it is always the decision of the official to eject but the actions of the player or coach will be the deciding factor whether the Supplemental DQ is used.
 - The official really has no decision to make. If the actions are what is listed in the Supplemental Disqualification then the penalty is 2 games, the decision will be made for them by the actions of the offender.
 - The official will not have the ability to choose between the two different disqualifications. The choice will be made for them.

Officials' Meeting Requirements and Information
